Written Testimony

When I lived in Austin, TX I signed up for a membership with Car2go and never regretted it. I love that it helps with parking congestion since the car become immediately available once it's parked. Car2go also saved me a lot of money - no insurance, maintenance fees etc. and eliminated any reason to purchase a vehicle. On too of that, it's better for our environment and a great addition to the community. Please adopt Car2go in Honolulu!
